## Soufiane Koussih

Vice-President – Corporate Services

---

Soufiane Koussih has been appointed to Vice-President – Corporate Services. He will assume his new duties on June 22 2026.

Mr. Koussih currently serves as director of corporate services at the Ottawa Centretown Community Health Centre. In this role, he oversees finance, information technology, communications, administration, data and human resources, contributing directly to organizational performance and the modernization of operations.

Throughout his career, Mr. Koussih has distinguished himself through his strategic leadership, his ability to support organizations through periods of change and his capacity to bring teams together around ambitious goals in complex and multicultural environments.

His career also includes significant international experience with the United Nations Development Programme (UNDP), where he held several leadership roles in a range of operational and humanitarian contexts across more than seven international assignments. In these roles, he led complex financial operations, supported major organizational transformations and contributed to the development of governance, accountability and risk management systems in highly demanding environments.

He has also held strategic positions with CARE Canada and the Union of National Defence Employees, where he oversaw major budgets, reinforced internal controls and supported financial and operational stability.

Alongside his professional career, Mr. Koussih is actively involved in community and organizational governance. He serves on the boards of the Financial Education Centre and Harmony Movement, and also contributes to the work of the Ottawa-Carleton District School Board's equity advisory committee. Soufiane Koussih holds a master's degree in audit and financial engineering from Hassan I University, as well as a bachelor's degree in business administration and finance from HEM Business School. He also holds a certificate in executive leadership developed in collaboration with Harvard Business School, as well as a professional coaching certification.
